Full board accommodation with a local family (inclusive of registration fee): 8, 12 or 13 nights
(Teachers may request to be the only guest of their mother tongue or to stay in the same family as a colleague).
Host families are carefully selected and offer a friendly welcome and opportunities to chat and learn more about life in Britain today. Participants often find that the experience of staying with a host family is one of the most memorable aspects of the course. Accommodation is in single rooms (unless participants request to share). Breakfast, packed lunch and evening meal are provided by the host family. (Food allergies, likes and dislikes are taken into account.)

Please note that many of the suitable residential areas are not within walking distance of the town centre, and most host families are an easy bus ride from the town centre/tuition centre. Local transport from host families to the town centre and local schools is at the participants' own expense and is likely to cost 15-30 Euro per week.

Additional nights with host families can be arranged, giving participants extra time for individual research and visits. Accommodation can be provided for family members (but not unaccompanied children) subject to availability. (Rates on request).

Participants wishing to arrange their own (hotel or self-catering) accommodation may pay a fee for the course only.

PAYMENT:
Full payment will be due 2 months before the course begins, or for teachers awaiting funding – as soon as the grant is received.
Cancellation charges apply for cancellations 4 weeks or less before the course commences. 3-4 weeks before arrival: cancellation fee: 380 Euros.
No refund for cancellations within 3 weeks of arrival. Applicants are strongly advised to take out cancellation insurance.

PREPARATION: Participants complete a detailed questionnaire before the course starts to ascertain their level of experience and training, as well as the age groups and types of learners they teach. Suggestions for pre-course reading are given.

EVALUATION: At the end of the course teachers participate in a detailed evaluation of the course.

FOLLOW UP: At the end of the course teachers are asked to consider which aspects of the course will be the most relevant to their own teaching situations. On their return they are invited to keep a record of how they have been able to utilise ideas gained on the course in their own classrooms. They are encouraged to share their experiences with their fellow participants by email. Teachers will also have email access to the teacher trainers for discussion and advice after the course.
